## I'm really sorry to hear of the forums closing - Lector

Hi, guys. I know it's been quite a long time since I've last dropped in, but I'd just like to say goodbye to the forums and all the awesome people I've known on here, I suppose. It's saddening to here of the forums closing, but apparently they're going to restart on something called Homebase?

Anyways, it was fun knowing everyone. Not exactly sure how many people that I knew are still on here, but I figured you all deserved a send off. I've gotten to know some amazing people on like Sanetra, Vine, Eureka, Cleverfighting, Calytrix, Ghost, Gulfstream, Wild, Future, Snowbelle, Cinder, and so many others. I wished I could name all of you guys, but each and everyone of you are amazing.

It was great to spend time on these forums and I'm going to miss them. I honestly can't believe that the time I decide to check out the forums is the time when they're closing. I'm lucky that I got to say farewell.

Also, Eureka, thank you. I did read that post and it was beautiful. Thank you so much.

Goodbye! I feel like I remember you, but I don't recognize the name. Did you have any other nicknames? Anyway, you seem like a great person, and I hope the future has a lot in store for you!

@Lector: You're one of the people I immediately think of when I think of the forums, and thinking of your posts always brings me a smile. I'm going to miss you.

@Gulfstream: I know this isn't your thread, but I want to tell you, before this place shuts down, thank you. You helped me out of a dark time in my life, and I'm so, so glad I had you as my friend.

@Bluedolphin
You seem familiar too! I think I've seen you around before but I'm not sure if we ever interacted much. And nope, I've just been Lector and always will be Lector.

@Gulfstream
We had some fun times and who knows, maybe we'll bump into each other again! (PMD for the win)

@Firework
Aw, thanks! That means a bunch to me and I'm going to miss you too.

I really regret not knowing you better, especially since you seem like such an amazing person!

I think I only really reacted on that music sharing thread and my aesthetic thread :’)

A secret place for me and you
Where everyday was fun and new
A simple time played in our heads
We’ll tell this story again
Refreshing, isn’t it?
Let’s breathe the air, try not to cry
It’s time to say our goodbyes
